Active overseas deployed families are placed on a military priority list, only if there is an opening will the family be notified and called in to register, you must provide deployment papers.

There are times, during the school year, that we have unexpected openings. A family move or other situations can offer an opening which we than can offer a spot to another family. Applicants who do NOT win a spot are placed on a waitlist and that's when we will call the next on the list to fill open spots. Families are given 2 days to accept the spot or we go on to the next waitlist number

PLEASE circle YES or NO if you are interested in being called after the school starts

Call after April 15th for you wait list number - we will take your name and call you back in 2 days
